February 2014

carMel Mountain Preschool

Carmel Mountain Preschool's mission is to provide a loving, supportive, educational environment where children participate in programs that promote individual growth and a lifelong love of learning.

~ Kindergarten Orientation Night ~

Attention parents of Pre-K children: Please expect a phone call from Donna or Jeanna regarding CMP's incredible Kindergarten program within the first few weeks of February.

Please plan to join us Thursday, March 6th at 4:30pm for Private Kindergarten Orientation. This meeting will give you the opportunity to see our wonderful kindergarten classroom, participate in a question and answer session, view curriculum materials and learn all about the exciting adventure that lies ahead for your kindergartener.

CMP provides a 6 hour curriculum day with an emphasis on Reading, Writing, Math and Fine Arts and class size is limited to 20 students. Now is a great time to check in with your local elementary school to learn about kindergarten size for the 2014/2015 school year.

This is the beginning of a very special time for you and your child.

We invite you to join us and explore the advantage private school can offer.

Do You Know About the Parent Memo?

Communication between parents, teachers, administration, and students is essential for effective educational development. You will find a parent bulletin board in or outside your child's classroom filled with information pertaining to your child's daily and weekly routines. The Parent Memo will let you know all about each day's activities. This small but valuable note is posted daily and will give you an insight into your child's day. This information allows you to discuss with your child the events of the day. The Parent Memo is a great resource - be sure to take the time to read it each day!

Give your child the gift of your full attention when you pick them up from school. Please leave your cell phone in your pocket and ask your child about their day.

It is the greatest gift you can give!

2013 Year End Ledgers

Year end statements are available upon request. Stop by the office if you need a statement for tax purposes.

The law of love
could be best understood and
learned through little
children.

CMP Offers Before and After School Care

CMP offers a wonderful before and after school program. We have a low student-to-teacher ratio and great homework help. We also have a fun summer camp for all school age students. There are many fun field trips and CMP also offers care on days when public school is closed. We practice and reinforce core values: respect, caring, truth, sharing, giving, and creativity. During the regular school year, we offer transportation to and from: Sunset Hills, Deer Canyon, Canyon, View, Adobe Bluffs, Sundance & Park Village Elementary Schools. Stop by the office for additional information.

Valentine Parties

Remember to check the "parent board" in your child's classroom for information about upcoming Valentine's Day celebrations.

January Drawing Winners:

Lana Room 7

Miles Room 12B

Kayla 5A

Teacher Winner: Ms. Jacque

The correct number of yogurt raisins was 386. Congratulations to our winners!

Look for a Valentine basket drawing this month .

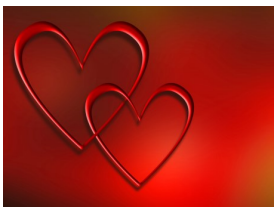
COLD & FLU SEASON HAS ARRIVED!

It is CMP's policy that children be symptom free for at least 24 hours before retuning to school after being ill. Keep in mind that when children are ill, their immune responses may be lowered, leaving them more susceptible to other illnesses. Additionally, when children come to school ill, teachers and other children are exposed to illness, creating an unhealthy environment. If your child has been exposed to or contracted any contagious diseases or infections such as (but not limited to) strep throat, pink eye, influenza, please keep your child at home and contact the office to report the condition.

Additionally, children may not attend school if they have any of the following symptoms:

**Temperature of 100 or above * Diarrhea or vomiting* Colored discharge from the eyes or nose* Other symptoms or behavior indicative of oncoming illness.*

As always we appreciate your support of CMP policy!



Parking Lot Courtesy

Please be sure to pull into the first available parking spot. It creates a dangerous situation onto Carmel Mountain Road when cars stop and wait for a particular spot. Remember there is a second driveway just beyond the first, with two parking lots above the playgrounds. Please use extra caution to keep all our children safe!

Lost and Found Jackets

Please be sure to label your child's jackets, sweaters, and sweatshirts with their name. This will alleviate many unclaimed articles in our lost and found basket, as well as easing the search for missing items at pick up time!
