MACHINE MUSEUM

Our 4 year olds in room 1A completed their 5 week machine study by holding a machine museum. They learned about 2D shapes, 3D shapes, simple machines, complex machines, and robots. Each student came up with an idea of what they wanted their machine to do, created a blue print, and got to work building.

BASKET WINNERS

Last month we asked you to guess how many rainbow beads were in the jar.

There were 400!

Congratulations to our winners!

PICTURE DAY

EGG COLLECTION

Beginning April 10th we will be doing a bi-weekly egg collection, Wednesdays from 4-5 and Sundays, any time.

Stop by the office to sign up. We kindly ask that families only sign up for one day.

REMINDERS

We are so happy to have cultivated a space where children and families feel welcome and want to play and explore. But please remember CMP closes at 5:30. The gates are locked promptly and we do not want you to be locked in. Once your child is picked up, do not linger on any of the play yards, the chicken coop, grass slide, classrooms, or parking lots.

When walking through the parking lots, please hold your child's hand.

DO NOT LEAVE CHILDREN IN THE CAR
