

The P.E.R.K. Club

Dear Parent/Guardian,

The P.E.R.K. Club is a physical education program, designed for children ages 3-12. Through positive reinforcement, and learning through play, the goal of this club is to encourage physical fitness habits which will last them a lifetime. The Physical Education and Recreation for Kids Club encourages originality and self-expression. Participation in different skills, exercises, games and dance, will help your child become more self-confident. The children learn to follow directions, and they are proud of their physical abilities. Our lessons are designed to promote high success rates, and they are age appropriate. Each lesson includes a Cardiovascular game, a Skill Theme such as throwing or catching, and a Loco-motor or group activity.

Your child will receive a 40 minute lesson, four times per month, for a fee of \$40.00 per month. Two class days a week will be a fee of \$70.00 per month. We will provide all equipment, and the lessons will be taught at your child's school. Different activities are taught each week. Please have your child wear safe footwear on P.E.R.K. day. Sandals may cause injury to ankles or toes.

Registration will be completed by filling out the bottom portion of this letter, and placing it with your check in the P.E.R.K. Club envelope or box at your child's school.
