carMel Mountain Preschool

Carmel Mountain Preschool's mission is to provide a loving, supportive, educational environment where children participate in programs that promote individual growth and a lifelong love of learning.

Looking ahead to Summer and Fall at CMP

Early in April we will send home a Summer and Fall Plans Questionnaire. At that time, we will request your child's schedule plans for both summer and fall.

Summer program begins Monday, June 15th, 2015

Summer is just around the corner and we are very excited for the fun activities we have planned. Please keep in mind, your child may have a summer classroom change. Classroom placements/changes are dependant upon a variety of factors such as: potty trained/not potty trained, age, schedules and CMP staffing. We encourage all of our families to join us, either part or full time for an exciting, unique summer program!

Showing Gratitude This Valentine's Day

Perhaps more than any other popular holiday, the actual origins of St. Valentine's Day seem to be lost to history. There are several different options for both the Saints as well as the story, but Valentine's Day is really an opportunity for those in love to express their feelings for each other.

We love and appreciate all of you! Thank you for being such a wonderful part of the CMP family.

Give your child the gift of your full attention when you pick them up from school. Please leave your cell phone in your pocket and ask your child about their day.

It is the greatest gift you can give!

2014 Year End Ledgers

Year end statements are available upon request. Stop by the office if you need a statement for tax purposes.

could be best understood and
learned through little
children.

CMP Offers Before and After School Care

CMP offers a wonderful before and after school program. We have a low student-to-teacher ratio and great homework help. We also have a fun summer camp for all school age students. There are many fun field trips and CMP also offers care on days when public school is closed. We practice and reinforce core values: respect, caring, truth, sharing, giving, and creativity. During the regular school year, we offer transportation to and from: Sunset Hills, Deer Canyon, Canyon, View, Adobe Bluffs, Sundance & Park Village Elementary Schools. Stop by the office for additional information.

COLD & FLU SEASON HAS ARRIVED

It is CMP's policy that children be symptom free for at least 24 hours before retuning to school after being ill. Keep in mind that when children are ill, their immune responses may be lowered, leaving them more susceptible to other illnesses. Additionally, when children come to school ill, teachers and other children are exposed to illness, creating an unhealthy environment. If your child has been exposed to or contracted any contagious diseases or infections such as (but not limited to) strep throat, pink eye, influenza, please keep your child at home and contact the office to report the condition.

Additionally, children may not attend school if they have any of the following symptoms:

**Temperature of 100 or above * Diarrhea or vomiting* Colored discharge from the eyes or nose* Other symptoms or behavior indicative of oncoming illness.*

As always we appreciate your support of CMP policy!

Parking Lot Courtesy

Please be sure to pull into the first available parking spot. It creates a dangerous situation onto Carmel Mountain Road when cars stop and wait for a particular spot. Remember there is a second driveway just beyond the first, with two parking lots above the playgrounds. Please use extra caution to keep all our children safe!

Lost and Found Jackets

Please be sure to label your child's jackets, sweaters, and sweatshirts with their name. This will alleviate many unclaimed articles in our lost and found basket, as well as easing the search for missing items at pick up time!
