Please join us for the Scholastic Book Fair:

September 26th-30th in the CMP Lobby.

Reading is one of the most important lifelong skills for children. Reading to preschoolers helps to develop their literacy, raises their brain activity and helps develop their language readiness. Reading is also a great way to spend quality time with your child.

The Book Fair helps purchase books for our school and classrooms.

San Diego Police Depart will be visiting Carmel Mountain Preschool!

Officer Dragt will teach us all about safety, good character, and leadership skills. Students will get the opportunity to look inside a police car, ask questions and take pictures with Office Dragt.
