CMP HERO HIGHLIGHTS

Miss Yukie

"I have been a toddler, two and three teacher at CMP since 2016. Carmel Mountain Preschool is a beautiful school with amazing staff and children. My favorite part of work is wearing dinosaur dresses and fitting right into the preschool life :)"

"When I'm not at school, I enjoy dancing, eating, binge watching shows, and hanging out with my dog Shisa."

"My most memorable activity at CMP would have to be our Exploring Dinosaurs Week. Children became paleontologists and dug for dinosaur eggs. We also learned my favorite dino-rific song while rockin' our dino outfits."

"If snacking was a sport, I'd be MVP. I'm always happy to hear a punny joke."

"I have always wanted to travel to New Zealand to snorkel and learn about their culture."

"If I could go anywhere in the world on vacation, I would like to explore the eastern part of Ireland and ride on the London Eye."

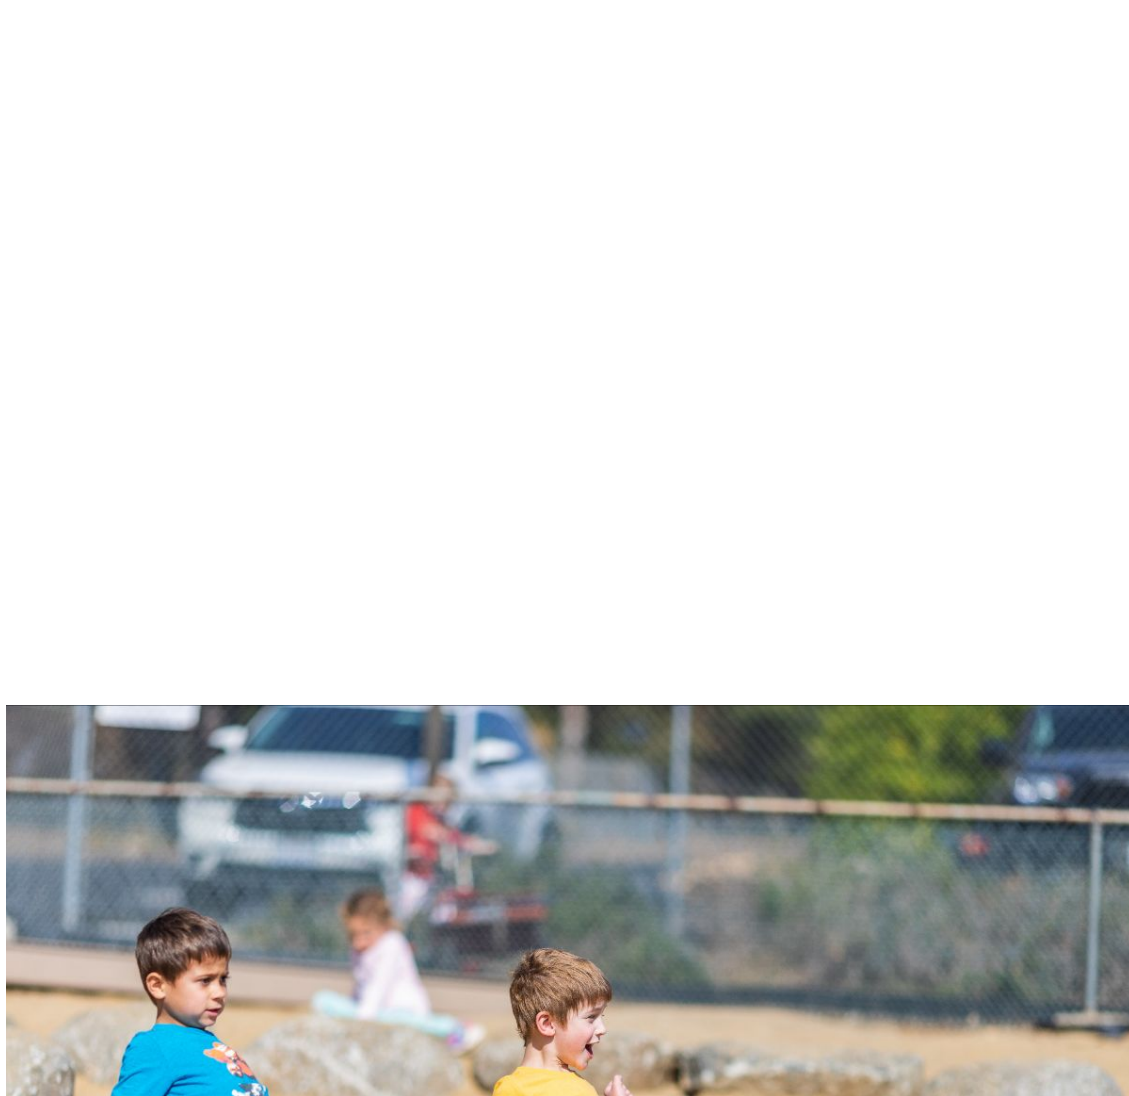

"I live at my house with my dog Sandy. I like to cook and walk my dog at night. I enjoy going to the beach and love to shop at Target :)"

Your Generosity Brightened Lives

Thanks to the overwhelming generosity of the San Diego community, Promises2Kids hosted the Annual BOMA Give From Your Heart holiday gift drive, presented by Carmel Mountain Preschool. The Building Owners and Managers Association (BOMA) has been a longtime partner, putting on the gift drive for 27 years.

This year, Carmel Mountain Preschool also held their inaugural socially distant drive-thru Holiday Giving Parade. Complete with a Santa visit, they safely brought holiday cheer to the community with their innovative, creative and beautiful event. Through this, they reached their goal of collecting 1,000 gifts.

Overall, 10,247 gifts were collected and \$8,690 was raised to help make the holidays a little brighter for local foster children. From bikes and scooters, to electronic games and gift cards to popular retailers, there was something for every child to enjoy! Popular items this year included:

Baby Yoda, baby dolls, beauty products, fuzzy bathrobes, wireless headphones, Lego and Duplo.

Caregivers and social workers were thrilled to see the selection of items that they could choose from and were beyond grateful for the opportunity to select items for each child.

We could not be more appreciative for the amazing support from those who made this possible once again: BOMA, Carmel Mountain Preschool, Boyer Moving & Storage, Waste Management, CSR 8 and Masville Investment Management. A special thank you to the volunteers and everyone who donated.

Because of support from people like you, foster children experienced the magic of the holidays as they had gifts to open and call their own. Your kindness helped bring joy to over 3,000 deserving foster children and made this a holiday season to remember!

RAINY DAYS

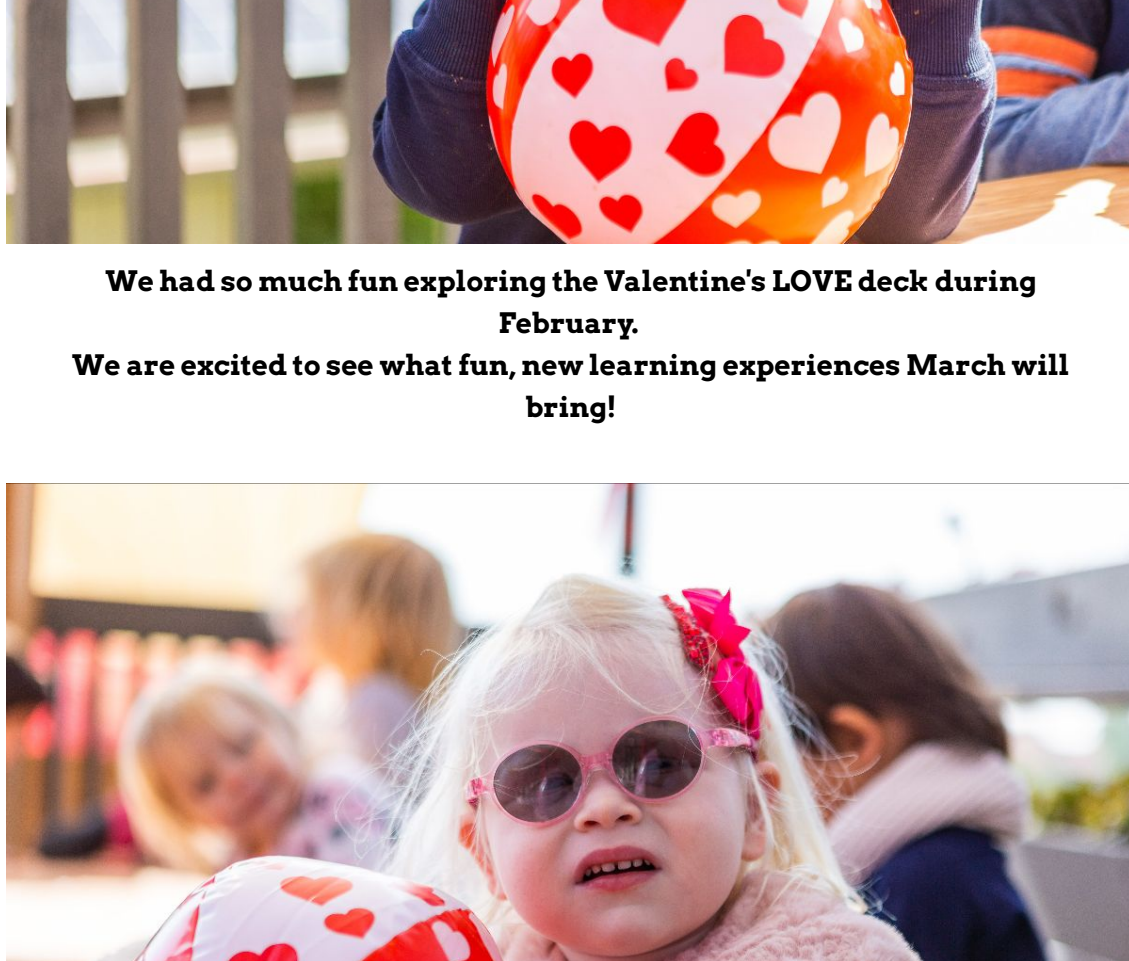

CMP allows children to play outside in all weather - even during rainy days. We ask that you dress your child in appropriate clothing and shoes.

CMP teachers and students won't let a little rain ruin their fun! They use the muddy puddles to make creations in the mud kitchens and to explore the muddy sensory experience. Playing in the rain helps children connect with nature and appreciate the world they live in. Rain day play is a fun and exciting sensory experience for young children as they experience being wet and getting muddy. Plus, who doesn't love dressing up in rain gear and splashing around?!

PARKING LOT SAFETY

Please be mindful when backing out in the parking lot. There are many families arriving and leaving at the same time. We have two upper parking lots when the lower one is full.
