Classroom Projects

Rooms 5A and 5B spent time learning all about community helpers! They had a visit from the local letter carrier Shannon! They also learned about firefighters, dentists, trash collectors, and so many more people who help make our community better!

Friendsgiving

Thank you to all the families who came out to participate in this year's Friendsgiving! This is our 38th year of giving food donations to local families. This year's food donations went to 4CommunityCare.
