email Emily at: emily@carmelmountainpreschool.com

Summer and Fall Plans

It's that time of year again to start thinking ahead to your Summer and Fall plans. 2022-2023 school year registration paperwork will be coming soon!

Valentine's Treats

Please check your email for information regarding classroom Valentine's Day. We understand that this is a fun day for the children to share treats with their friends but we ask that you **do not bring anything edible**. Every family has their own wishes when it comes to whether or not they give their children sweets. Out of respect for this, we do not allow edible items for holidays or birthdays. CMP encourages you to find alternatives to edible treats.

February Eco Challenge

show nature some

love

Love and take care of nature with your family. Make some nature Valentines, practice visiting nature with love and respect, or build a loving habitat in your outdoor space.

February Eco Challenge

Heart Rocks: A Random Act of Kindness

Paint hearts on a handful of rocks, return them outside in places where they almost blend in so that discovering them will bring a smile to someone's face.

Valentine Nature Hike

Start by grabbing your camera because on this hike, everyone is on the lookout for hearts. When someone spots a natural object in the shape of a heart, take a picture. Make it a friendly competition by keeping track of who can find the most, or work cooperatively towards a group goal.

January Basket Winners

Last month we had you guess how many snowflakes were in the jar. There were **750** snowflakes!!

Congratulations to our winners:

Anthony D. 6C

Wesley W. 11

Eli Z. 8
