April 27: Family Yoga, 4-4:30

Class Projects

The engineers in 1A put on a pop up museum filled with make believe machines they created.

Each engineer thought of what machine they would love to see in the world. Then they created a blue print and went to work!

The machines created were:

-A Shark Catcher

-A Beach House Builder

-A Princess Dress Maker

-The Elsa Ice Maker

-The Paint Machine

-Uni the Unicorn (helps you reach things that are high)

-Sally (helps you pick out clothes)

-Cookie (it cooks stuff for you)

-The Spider Catcher

-A Snow Machine

-The Ocean Clean-Up Machine

-An Art Machine

-A Vacuum That Pick Up Toys

HOLi

Holi is an ancient Hindu tradition and also one of the most popular festivals in Hinduism.

Holi celebrates spring, love, and new life. Some families hold religious ceremonies, but for many Holi is more a time for fun.

It's a colorful festival, with dancing, singing and throwing of powder paint and colored water.

Our rooms 7, 8, 5A and 5B school families celebrated on March 8th by reading books about Holi, throwing around powdered paint and making art.

HOLI

Happy Birthday

Morrison, Myla, Yuna, Josie, James, Asa, Declan, Jimmy, Henry, Landon, Jamie, Conrad, Kelly, Alexander, Miles, Albert, Atlas, Ryan, Dakota, Andy, George, Samaira, Jasper, Ronica

Ms. Carol, 4/18
Ms. Kelly, 4/19
Ms. Lisa, 4/28

Conscious Discipline

Power of Perception and Behavior

Classifying children as good or bad and treating these two groups differently has enormous consequences.

It fosters inequality and discrimination. It shapes the way children view themselves, the world, and others around them.

We must stop perceiving behavior from an "us vs. them" emotional state, instead shifting to a healthy perception that benefits us all.

Behaviors should be classified as safe or unsafe. This perception allows us to see challenging behavior as a call for help rather than a sign of disrespect.

It is our job to teach children the skills they need to make safer, wiser choices.

March Basket Winners

Last month we asked you to guess how many St. Patrick's Day buttons were in the jar. There were 860!

Congratulations to our winners!

Sara K, 6A

Sebastian V, 4B

Emmeline M, 3A

Ms. Kayla, 1B
