CONSCIOUS DISCIPLINE

Visual Routines

Chaos in the classroom or home thwarts **safety** and **composure** and is an urgent call for visual routines.

Conscious Discipline®

1/4

Providing children with **visual images** of what to do during transitions is like giving them a **mini-rehearsal** of our expectations and procedures.

Conscious Discipline®

2/4

This allows students to **practice** a routine over and over again at any given time.

Conscious Discipline®

3/4

Take a moment to think about where you have **chaos** in your day. This indicates a place where you could create a routine or break it down **visually**.
