Conscious Discipline

Conscious Discipline is Carmel Mountain Preschool's main philosophy when it comes to social-emotional learning. It is a research-based program that helps adults stay calm enough to see misbehavior and upset as a signal to teach instead of punish. It provides effective strategies for teaching social-emotional and life skills to children.

Enrollment Promotion

Come to CMP and get **THREE WEEKS FREE** Tuition

You must enroll and start your child by Monday, October 2, 2023 and we will credit you three weeks of free tuition*.

*Tuition credit will be applied for November, December, and January.

Reminders

There is parking in the lower, middle, and upper lots.

Drop off can be an emotional time for your child and you! "Quick goodbyes make drier eyes." Quick and clear goodbyes are best. Prolonged goodbyes generally cause additional anxiety for your child. Please be assured that if your child is upset when you leave, the teacher will provide comfort and try to sooth your child.

We close and lock the gates promptly at 5:30.

If you pick up your child and the teacher(s) do not recognize you they will ask for your ID or ask you to go to the office for a “Parent Pass”. Please bring a picture ID with you during the first few weeks of school while our teachers are getting familiar with all the new faces.

Sign your child in and out every day using the Procare app or website. If you need help with this, please stop by the office.

Adults may not enter children's bathrooms.

Playgrounds, the Glenn, and the grass slide are not to be used without staff supervision.
