Parent Wellness

Last month we hosted our first parent wellness event in the yurt. Thank you to everyone who showed up for parent yoga.

We believe in order to fully be there for our children we must take care of ourselves.

If you were unable to attend, no need to worry, we will be hosting many more parent exclusive activities.

Community Events

We are proud to share that friend of CMP, Dr. Ali, along with her partners, are opening HorsePlay Collective. Equine coaching for trauma using interactions with horses to support individuals in processing and healing from traumatic experiences.

They will be hosting their onsite event on March 8 from 3-6pm.

If you would like to see the progress they've made so far, the dream they are building, and help them raise the rest of their funds, reserve your **FREE** ticket for an afternoon of fun & yum at the Westmont of Carmel Valley senior living community.

Every donation from the March 8 event will be **MATCHED** to **DOUBLE** your impact!

Construction

During the month of March the City of San Diego will be doing construction on Carmel Mountain Rd. Access to driveways should NOT be impeded, there may just be a slight delay as they work to improve the street.

Work will begin with sidewalks and curb ramps next week, and that will be about one week. They will come back a few weeks later and work on repaving the road, that will take another one to two weeks.
