May 26 Closed, Memorial Day

A decorative border with various floral and plant motifs in orange, green, and red colors surrounds the text.

THE ORCHARD

The Orchard is a new spot on campus tucked away on the top of the property overlooking Mt. Carmel High School. All together there are 22 varieties of fruit trees including, but not limited to: avocado, peach, cherry, fig, apricot, apple, nectarine, and macadamia nut.

This type of orchard is called a polyculture orchard meaning several species of trees are growing together in harmony, mimicking the diversity of a natural ecosystem. With the different varieties of fruit trees growing, we will be able to have fruit year round as they will all bloom in different seasons.

TEACHER APPRECIATION WEEK

On Wednesday, May 7 we will be holding a parent provided potluck for our staff.

If you would like to participate please stop by the office to sign up!

EGGS

Our chickens are producing so many eggs that we are able to open up an extra day for pick up!

Starting Wednesday, May 7 we will have families be able to pick up eggs every Wednesday.

If you have not signed up already, stop by the office to secure your day.

CLOTHING DONATION

If you are willing and able, we are looking for 2T, 3T, and 4T underwear, pants, and shirts. If you have any to donate, please drop them off to the front office.

Jaxson, Zion, Everly, Otto, Harrison, Piper,
Branner, Jordyn, Owen, Mason, Amaya,
Soren, Sienna, Jackson, Yuan, Dario,
Cyrus, Leonora, Anders, Deveraux

STAFF BIRTHDAYS

Ms. Emma 5/5

Ms. Kathy 5/14

Ms. Stephanie B 5/20

MACHINE MUSEUM

The engineers in room 14 hosted the 4th Annual CMP Machine Museum.

After studying geometric shapes, simple machines, and complex machines each engineer thought of what machine they would love to see in the world. Then they created a blue print and went to work!

A decorative border with various floral and geometric patterns in orange, green, and red colors surrounds the central text area.

MACHINE MUSEUM

The machines created were:

- A robot to make hamburgers and fries
- Ice pop machine that makes all the flavors
- A unicorn machine to teach baby unicorns how to fly
- A rocket ship
- Ice cream machine
- A machine that picks up toys
- A machine that makes hot chocolate with purple marshmallows
- A super jet that flies super fast
- A machine that grabs things that are up high
- A machine that picks up garbage on the land and in the water
- A hotdog machine
- A robot that can cuddle and help clean

MACHINE MUSEUM

BASKET WINNERS

Last month we asked you to guess how many items were in the jar. There were 382. Congratulations to our winners!

Natalie, 11

Jaxson, 1A

Sterling, 6B

Ms. Cassandra, 6B
